I have now had a chance to review the letter.

Dr. Dourson—It appears that there are some of the questions you can answer and others that may be proprietary.

Erik—We will need assistance from OGC in responding; particularly with #10, #11, #12. Could you work with Dr. Dourson on those answers?

We will need to get this turned around by the time Congress returns from August recess. Once there is a draft letter we will have OGC take a final look.
